

(Preceding the Second Annual Northern Ontario Pediatric Conference on October 4, 2013)

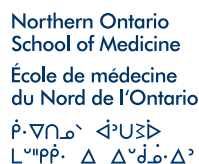

## WORKSHOP OBJECTIVES

1. Explain the principles of competency-based residency training;
2. Implement competency-based medical education strategies within NOSM residency programs; and,
3. Employ approaches and tools for competency-based assessments of residents in training.

## WHO SHOULD ATTEND?

## ACCREDITATION

This event is an Accredited Group Learning Activity (Section 1) as defined by the Maintenance of Certification program of The Royal College of Physicians and Surgeons of Canada, approved by the Continuing Education and Professional Development Office at the Northern Ontario School of Medicine for up to 2.5 hour(s).

# AGENDA

October 3, 2013

1696 Regent Street, Sudbury, ON

17:30 - 18:50

**Dr. Jonathan Sherbino, BSc, MD, MEd, FRCPC, FAcadMed**

At the end of this session, participants will be able to:

- Explain competency based-medical education (CBME) and contrast it with traditional learning modules;
- Design simple milestones relating to a key competency in residency training; and,
- Explain the key feature of work-based assessment as they relate to CBME.

19:00 - 19:30

**Dinner**

19:30 - 20:50

**Dr. Tom Crichton, MD, CFPC**

At the end of this session, participants will be able to:

- Design a process for in-training assessment within their setting that focuses on learner/patient interactions during daily clinical activity.
- Utilize tools available to achieve superior assessments that include individual documentation, classification, and progress reports

20:50 - 21:00

**Conclusion and Workshop Evaluation**

## SPEAKER BIOGRAPHIES

**Dr. Jonathan Sherbino**, BSc, MD, MEd, FRCPC, FAcadMed is an Emergency Physician and Director of Continuing Professional Education for the Division of Emergency Medicine at McMaster University. As a clinical educator with the RCPSC, Dr. Sherbino has a strong interest in competency-based medical education. He is also the Associate Editor of education with the Canadian Journal of Emergency Medicine.

**Dr. Tom Crichton**, MD, CFPC is a family physician practicing in Sudbury and Assistant Dean of Family Medicine at NOSM. Dr. Crichton's interests in education include postgraduate training with a particular focus on assessment.
